

# V7 LASER GAMING MOUSE

Gamers need precision and power in a mouse, and V7 has stepped up to fill that need with the V7 Laser Gaming Mouse, a mouse that adjusts to fit your needs just right. The mouse features two programmable side buttons, an adjustable DPI and changeable LED displays.

Gamers can choose from 4 different LED color settings that indicate the sensitivity level, matching the mouse to fit your sensitivity needs. The mouse's sleek, highly durable plastic and comfortable contoured grip provides a smooth and seamless gliding experience.
